To accompany pathogen orders

This form must be fully completed and sent with all orders for known or possible pathogens of man or other animals. (These strains will be marked 'PATHOGEN' or 'POSSIBLE PATHOGEN' in the CCAP catalogue).

I, the Responsible Person, recognise that the strain(s) I have requested from the Culture Collection of Algae and Protozoa (CCAP) represent(s) a potential risk to the public health and/or agriculture of the country. I am qualified and competent to handle this material and I hereby assume all risk and responsibility in connection with the receipt, handling, storage and use of the material.

For orders outside the UK only:

1. I have checked my country's regulations on the import of this material, and confirm that this material may be legally imported without delay in delivery.
2. I confirm that no additional documentation (e.g. import permit) is required, or I enclose additional required documentation (e.g. import permit). *(Please delete as appropriate)*
3. I agree to pay all delivery costs and import duties/taxes to the carrier on receipt of the package.

Order details

Culture(s) requested:

Details of the Responsible Person:

Name

Address

*Tel

Email

**Note that you should be available at the telephone number given above for the whole time that the cultures are in transit, in case the carrier should need to contact you for advice.*

Details of appropriate safe handling procedures can be found in "Categorisation of biological agents according to hazard and categories of containment" Advisory Committee on Dangerous Pathogens, HMSO, London, 1995.
